It Happened in a Drug Store.

"One day last winter a lady came to my drug store and asked for a brand of cough medicine that I did not have in stock," says Mr. C. R. Grandin, the popular druggist of Ontario, N. Y. "She was disappointed and wanted to know what cough preparation I could recommend. I said to her that I could freely recommend Chamberlain's Cough Remedy and that she could take a bottle of the remedy and after giving it a fair trial if she did not find it worth the money to bring back the bottle and I would refund the price paid. In the course of a day or two the lady came back in company with a friend in need of a cough medicine and advised her to buy a bottle of Chamberlain's Cough Remedy. I consider that a very good recommendation of the remedy." The remedy owes its great popularity and extensive sale in a large measure to the personal recommendations of people who have been cured by its use. It is for sale by Benson, Smith & Co., general agents, Territory of Hawaii.

Ogawa an Alleged Tough Japanese
Arrested for Beating Otha While Attempting Extortion.

Ogawa, a Japanese, was arrested yesterday and charged at the police station with assault and battery. It seems that he claimed an interest in a lease that was sold by Otha, a countryman of his, for \$1,700, to C. I. Fischel and others.

Otha says that as soon as Ogawa found out that the money had been paid over he came to him and told him to divide or else take a thrashing. Otha refused, as there was no reason why he should pay Ogawa any of the money. He was the sole owner of the lease and denied the right of Ogawa to ask for any of the money paid for it.

On Tuesday night the police were summoned to Otha's house by telephone. There they found Ogawa and a companion, Ogawa trying to force Otha to sign a paper. They had beaten Otha and were trying to scare him into giving them money. On account of their actions the arrest yesterday followed.

Ogawa has an unenviable reputation. He it was who assaulted Dr. Wengel at Hama plantation and who had his contract cancelled in order that the management might be rid of him. He caused trouble at Kihel and when in Kalihel camp was the ringleader of the Japanese who caused so much trouble there. He is a member of the Rising Sun society, made up of just such men as himself.

The Japanese Losses By the Plague Fire

About Three Thousand of the Little
Brown Men Suffered by the
Spring Conflagration.

A large delegation of representative Japanese business men gathered at the home of Consul Miki Saito on Nuuanu street last evening. The claims of those who lost their property in the Chinatown fire last spring, have been placed in the hands of the consulate, and the object of the meeting was to consider the statements of the merchants and others and to appoint a committee to audit them and prepare a general statement which is to be presented to the territorial officials. Although three weeks was allowed from the date of the meeting held last Saturday evening, the tardy fire sufferers exhibited a good deal of promptness at the last moment, and have filed a detailed statement of their losses. In the selecting of the committee, representatives were chosen from all blocks in Chinatown visited by the plague fire.

Following is a complete list of the committeemen selected from the various blocks:

First—K. Odo, S. Misawa and U. Doto.
Second—K. Ichikawa, S. Suga, K. Egata and K. Nishikawa.
Third—M. Kahara, T. Mitsu.
Fourth—I. Kato, I. Nakamura and Y. Akisaki.
Fifth—M. Komaya, H. Hamano, W. Motobiki and U. Asahina.
Sixth—T. Hiramoto, M. Susamago, K. Kawate and H. Mayamoto.
Seventh—U. Kobayashi and Y. Yamamoto.
Eighth—K. Kawasaki, H. Kihara, T. Muraikami, T. Ishikawa, M. Sakuragawa, S. Yasumori, Y. Yoshimura, R. Nagao, S. Hirokawa, Y. Hirose and C. Miyamoto.

In the fifth, sixth, seventh, twelfth, thirteenth and fourteenth blocks only a small number of Japanese were located in business at the time of the fire. In this district two committeemen were selected. They were M. Komaya and S. Kosima.

In the district from Chinatown to Palapa, M. Yamashiro and I. Minakuchi were chosen.

The burned districts on the island of Maui had not appointed representatives. At the meeting last night the fact was developed that nearly 3,000 Japanese have suffered loss in the fire. It will be readily seen that the committee to audit the individual claims of this large number have a gigantic work to perform. The original approximate loss, given out some time ago, amounting to \$200,000, will in all probability be greatly reduced after the statements have been thoroughly canvassed.

If you fail to register you will lose your vote. Attend to this.
